PROFILE

Dedicated agricultural worker with extensive rural experience in livestock care, farm labor, and agricultural operations. Known for responsibility, discipline, and ability to perform physically demanding work. Seeking an opportunity in the United States.

KEY QUALIFICATIONS

- Livestock care: cattle, horses, goats, chickens, and pigs
- Fence building, cleaning, pruning, gardening, and general farm labor
- Basic operation of tractors, trucks, and agricultural vehicles
- Pesticide and fertilizer application
- Strong work ethic, teamwork, and reliability

WORK EXPERIENCE

Animal Caretaker – Rural Farm (Brazil)

7 years responsible for feeding, animal health monitoring, general care, and medication administration.

General Farm Worker – Rural Services

5 years performing fencing, pesticide application, cleaning, weeding, pruning, and other manual farm activities.

Machinery Operator (Trainee)

2 years operating tractors, trucks, and pickup vehicles. Currently studying modern machinery, GPS, planters, and harvesters.

Fertilizer Operator III – Amaggi (Brazil)

1 year in fertilizer handling, grain export operations, and industrial agricultural processes.

Slaughterhouse Worker – Rio Beef (Brazil)

1 year of experience in cattle slaughtering and meat processing.

OBJECTIVE

To obtain a stable position in the U.S. agricultural sector where I can contribute with dedication, improve my professional skills, and support my family.
