

THIAGO HENRIQUE

PROFILE

I am a dedicated and hardworking professional with hands-on experience in both construction and agricultural environments. Over the years, I have developed practical skills in masonry, plastering, finishing, and general renovation support, as well as farm work such as planting, harvesting, fence maintenance, and animal care. My background demonstrates adaptability to different work settings, from urban construction sites to rural properties, always ensuring efficiency and safety. I am accustomed to physically demanding tasks, teamwork, and following instructions from experienced supervisors. Reliability, discipline, and a strong work ethic are qualities that define my approach to every job. I am motivated to contribute my skills to new opportunities where commitment and practical knowledge are valued.
