1556 Street Antônio Sinhorini - São José do Rio Preto - SP

WORK GOAL

I aim to contribute to the maintenance sector by applying my knowledge and skills to support the company's operations, while continuously developing my professional skills and contributing to organizational growth.

WORK EXPERIENCE

- Bostik Brazil (2023-2026)

Electromechanical Technician

Responsible for the installation, maintenance, and repair of systems involving electrical and mechanical components, such as industrial machines and engines. Perform diagnostics, tests and adjustments, ensuring system operation and preventing failures.

- Signartec Comercial Técnica (2021-2023)

Electrical and Electronic Maintenance Electrician

Plan electrical and electronic maintenance and installation services, and perform preventive, predictive and corrective maintenance. Install electrical and electronic systems and components and carry out measurements and tests.
