EXPERIENCE

Position: Driver (Car, Van, Bus, BoxTruck, DumpTruck)

Company Name: City Hall of Águas de Lindóia

Number of Employees: More than 500(I don't know the specific number)

Date of Employment: September 2016 - Present

- Responsible for driving vehicles such as ambulances, trucks and cars from various departments, ensuring traffic regulations, respecting traffic laws and maintaining the integrity of all vehicles, as well as ensuring maintenance and good condition.
- For 8 years I worked in the health area, driving an ambulance transporting patients to hospitals in large reference centers, as well as working as a first responder for three years in the area, taking several advanced training courses in pre-hospital care.

Position: Bus Driver

Company name: Nossa Senhora de Fátima Auto Bus

Number of employees: Aprox. 200

Date of employment: September 2015 - March 2016

- I worked in urban passenger transportation using circular buses through the neighborhoods of Bragança Paulista, working 14 hours a day, on a 7-to-1 schedule.
- Among the duties required of me, besides driving while maintaining good conduct

and respecting traffic laws, I also handled personal charges, accumulating several responsibilities within the company, where I only left to apply for the public service exam for the position I currently hold.

EDUCATION

Level of education: High School

Year of graduation: 2005

CERTIFICATIONS AND TRAININGS

Course Name: Heavy Machine Operator

(Hydraulic Excavator, backhoe, And Wheel Loader)

Date of Conclusion: July 2025

Institution Name: WM Trainings

- Although I took the heavy machinery operator course in July 2025, I had already performed extra services for some companies around the city where I live as off hours services, such as Saturdays and Sundays, deciding to train professionally due to government labor inspections.

Course Name: Movement of dangerous goods (HazMat)

Driving Emergency Vehicles

Institution Name: Detran-SP(Sao Paulo State Transit Department)

Since 2016(renovated every 4 years)

VOLUNTEER EXPERIENCE

Institution Name: WM Trainings

Date: Since August 2025

- Since August 2025, I have been invited to work as an instructor with the WM Training Company to train new heavy machinery operators, taking into account the skill I demonstrated during my training.
