MIQUÉIAS SANTIAGO
GENERAL LABORER | MAINTENANCE HELPER | PRODUCTION WORKER | DELIVERY DRIVER
Várzea Paulista, São Paulo, Brazil
Phone: +55 11 97437-4558
Email: mfsantiago.support@gmail.com

PROFESSIONAL SUMMARY

Reliable and hardworking professional with experience in computer manufacturing, assembly, quality inspection, general maintenance support, and last-mile delivery. Three years of experience at Foxconn in computer assembly and production, one year as a Maintenance Assistant at SL Cafés, and additional experience in parcel delivery using vans and trucks. Adaptable, organized, safety-conscious, and willing to learn new tasks. Interested in seasonal employment opportunities in the United States.

PROFESSIONAL EXPERIENCE

Foxconn — Computer Assembly / Production Worker
Brazil | 2023–2026
Worked in computer assembly and manufacturing operations.
Assisted with computer assembly, component handling, and production-line activities.
Performed product inspection and testing-related tasks.
Supported packaging activities and maintained attention to detail.
Followed work instructions, quality standards, and workplace safety procedures.
Collaborated with team members to support daily production goals.

SL Cafés — Maintenance Assistant
Brazil | January 2022–December 2022
Assisted with general maintenance and minor repairs.
Supported the team with routine maintenance-related activities.
Helped keep equipment and work areas organized and in good condition.
Reported issues requiring additional maintenance.
Followed workplace instructions and safety procedures.

Independent Delivery Driver — Last-Mile Delivery
Brazil | Approximately 2 years
Performed parcel deliveries associated with e-commerce platforms, including Mercado Livre, Amazon, and Shopee.
Worked with a Fiorino/van and trucks for delivery-related activities.
Planned routes and managed delivery schedules.
Handled packages carefully and communicated professionally with customers.
Worked independently while focusing on punctuality, organization, and safe driving.
