DRIVING

Holds a Brazilian Category A/B driver's license with EAR endorsement. Does not hold a dedicated truck or agricultural machinery license; reports practical ability to drive tractors and machinery. Any role-specific driving qualifications must meet local requirements.

Photo provided for professional presentation. Confirm that photographs accurately represent the candidate and are appropriate for the application.

COVER LETTER

Email: capota-bruninho@hotmail.com | **Phone:** +55 37 99931-6414

Dear Hiring Manager,

My name is Bruno Trad Machado, and I am currently based in Brazil. I am seeking opportunities in automotive electrical work, vehicle maintenance, mechanical work, machinery maintenance, rural work, and related technical roles.

My professional background includes automotive electrical work and installation, vehicle polishing, and experience as a business owner. I have practical knowledge of engines, transmissions, suspension, brakes, and electronic diagnostics, as well as machinery maintenance, rural work, and basic construction activities. I am adaptable, motivated to learn, and committed to working responsibly and developing my skills.

I completed high school, hold a valid passport, and have a Brazilian Category A/B driver's license with EAR endorsement. My English is basic, and I am willing to improve it. I currently live in Brazil and would require employer sponsorship for a work visa where applicable.

Thank you for considering my application. I would welcome the opportunity to discuss how my practical experience and willingness to learn could contribute to your team.

Sincerely,

Bruno Trad Machado

BEFORE SENDING

If available, add the exact names of training courses, institutions, and dates, and verify that all experience and photos accurately represent the candidate. Do not include passport numbers or other sensitive document details.
